<p>General:</p> <ol style="list-style-type: none"> 1. We had a great show tonight! While the audience was not as loud as last nights, they were still thoroughly engaged with the world of the play. 2. Photo call was from 9:30 - 10:45, cast and crew were troopers through their tiredness. 3. Sunday is Strike!
<p>Performance Notes:</p> <ol style="list-style-type: none"> 1. Tonight was a brisk 30 degrees and sunny. A beautiful night to share the world with the audience! 2. We did skip many lines within the Bugbear sequence, causing Marjorie to improv how to kill the middle bugbear. All turned out well in the end. Stage Management and board ops were able to jump ahead and continue. 3. There were many moments of laughter and intent listening in the audience. Moments and sequences fell really well tonight. Actors were engaged in each moment and gave the audience a wonderful performance. 4. The Prologue and Tiamat were both called correctly and looked and sounded beautiful!
<p>Stage Management Notes:</p> <ol style="list-style-type: none"> 1. I had Bonnie Ruble in my booth tonight listening to me call cues.
<p>Public Relations/Marketing/House Management:</p> <ol style="list-style-type: none"> 1. Late Seaters: None 2. No Shows: 24 3. 1 person was on their phone in the 3rd row.
